Dear employer,

Thank you for taking your time to view this cover letter. I graduated from Northern Illinois University with a Bachelor of Science in Computer Science in May 2022, and I graduated from the University of Illinois Urbana-Champaign with a Master of Science in Computer Science in December 2023. I am currently looking for a full time entry-level job or a full time internship opportunity to grow and improve as a programmer.

Being highly attentive to detail, I strive for accuracy and consistency in my daily individual performance, team contributions, and task completion. Further, I offer leadership, teamwork, and communication. I aim to contribute my programming skills to support continuous improvement.

I look forward to speaking with you about my academic and professional background. I am attaching my resume alongside this cover letter in consideration for a position at your company. Please review it for more information regarding my background and skills. I would appreciate an opportunity to schedule an interview at your earliest convenience.

Thank you for your time and consideration.

Sincerely,

Sairamasubash Muppalaneni
